EDMO ADJUSTABLE RIM STAND

25”-63”

The EDMO Adjustable Rim Stand is fabricated with the quality and high standard of workmanship associated with the EDMO brand. It is designed for supporting Earthmover wheel rims during maintenance and repairs. Adjustments to suit the rim size are made by sliding the stops and bolting them into position. A centred lifting lug provides a lift point for easy transport around the workplace.

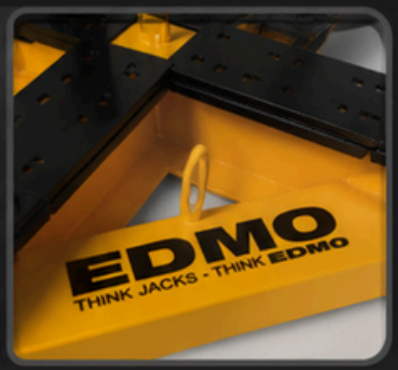

HEAVY DUTY CONSTRUCTION
Built to last in the toughest worksite conditions.

ADJUSTABLE DESIGN
Easily adjusts to fit rim sizes from 25” to 63”.

CENTRALISED LIFT POINT
Equipped with a lifting lug for safe and easy transport.
